Box Truck Driver

Louisa, Virginia

Who We Are

Duravex is a high-growth manufacturer based in Louisa, Virginia, specializing in sheet metal fabrication, welding, machining, coatings, and the design and build of turnkey mechanical systems. In addition to full system integration and production, we design custom equipment and collaborate with customers to refine and optimize their product designs. Our capabilities include UL 508A industrial control panels and electrical assemblies as part of broader engineered solutions.

Our capabilities are organized into strategic verticals: Engineered Plant Equipment, OEM Equipment, Data Infrastructure, Defense & Secure Facility Components, Exhaust Systems, and Contract Manufacturing.

What You'll Do

Operate a medium-duty box truck (20–26 ft) to transport goods, load and unload cargo, perform pre- and post-trip inspections, and ensure timely, safe deliveries. Navigate local and regional routes, maintain accurate delivery logs, comply with DOT/OSHA requirements, and provide excellent customer service.

Daily Responsibilities

- **Driving & Delivery:** Transport materials, freight, and products securely along planned routes.
- **Loading & Unloading:** Move cargo manually or with hand carts, pallet jacks, or a forklift.
- **Vehicle Maintenance:** Conduct pre-trip and post-trip inspections of tires, lights, brakes, and fluids.
- **Documentation:** Maintain accurate logs and cargo documentation, and obtain delivery signatures.
- **Safety Compliance:** Adhere to all traffic laws, DOT regulations, and company safety policies.

What You Bring

- High school diploma or GED
- Valid driver's license and a clean driving record
- 1–2 years of related driving experience

Why Duravex

Duravex is building a culture rooted in safety, precision, and continuous improvement — where smart, hands-on leaders thrive.

- Lead practical change – no red tape, just results.
- Join a company scaling fast and building smart systems from the ground up.
- Competitive pay, benefits, and long-term growth opportunity.
